## CZAR'S LINES ARE PIERCED AS GERMANS RENEW ATTACK ON RUSSIANS IN GALICIA

**Battle Front Changes to Austrian Territory Again and Slav Troops Are Thrown Back—Kaiser's Army Takes Narew.**

BERLIN, Aug. 28.—Teutonic pressure against the Russians in Eastern Galicia has resulted in the piercing of the Russian lines along the Zlota Lipa River, it was officially announced to-day by the German army headquarters.

It was also announced that the town of Narew, about twenty miles southeast of Bialystok, had been occupied by the Germans.

The official statement says: "Army group of Field Marshal von Hindenburg: The enemy has been defeated in battles north of Hausk and Schoenberg. More than two thousand Russians were taken prisoners and two cannon and nine machine guns were captured.

"Enemy advances against parts of our front between Radziwiliaski and Sijadost were repulsed.

"Southeast of Kovno the troops of Gen. von Eichhorn are making further victorious progress. The enemy is being pursued between the Hober and the Herbolowienka. The town of Narew has been occupied."

"Army group of Field Marshal von Mackensen: In the pursuit of the enemy the highroad from Kamienka-Litovsk to Mysozyozze has been crossed. Between Muchawiesce and Pripet our troops are driving the defeated enemy in front of them. German cavalry defeated an enemy cavalry division yesterday at Samary, on the road from Kovel to Kobryn.

"Southeastern theatre of war: Under the leadership of Gen. Count Bothma, German and Austro-Hungarian troops yesterday broke through the Russian positions on the Zlota Lipa River, north and south of Brzezany. Counter attacks at night by the enemy were repulsed with sanguinary losses. Early to-day the enemy abandoned resistance after further failures. The enemy is being pursued."

Since the Austro-Germans, in their drive through Galicia in May and June, threw the Russians back upon the line of the Dniester and the Zlota Lipa and Knia Lipa rivers late in June, there has been comparative inactivity along this front, so far as the official reports have indicated.

## MOTOR BOAT VANISHES; THREE MAY BE LOST

Lighthouse Keeper Sees Craft Swept by Wave and Disappear at Head of Long Island Sound.

NEW HAVEN, Conn., Aug. 28.—The disappearance of a motorboat containing two or three men in Long Island Sound was reported by W. L. Tutty, keeper of Sperry Light at the entrance of New Haven harbor, when he came ashore to-day. He said the boat apparently sank Thursday night, and although he went out in his own launch there was no sign of wreck.

The motorboat came from the west at high speed, and while he was watching it a big wave apparently

## TUT, TUT, COLONEL! SAYS GARRISON ON 'BUFFOONERY'

Secretary Notifies Roosevelt Further Talk Is Useless on the Wood Reprimand.

WASHINGTON, Aug. 28.—Secretary of War Garrison "came back" at Col. Roosevelt to-day in characteristic style. He could not permit the Colonel's championship of Gen. Wood to affect relations between Wood and the War Department in any respect, he said.

"As to buffoonery," continued the Garrison statement, "Tut, tut, Colonel! remember that when you stub your toe now you are too old to cry, even if it hurts too much to laugh. "The case," went on the statement, "is closed and the verdict must stand. "There is nothing in Mr. Roosevelt's plea to reopen the case that would make it proper to do so. The personal and official relations between Gen. Wood and myself concern us and do not properly concern Mr. Roosevelt. "The Administration (outside of myself), has had nothing whatever to do with this matter, and Mr. Roosevelt, therefore, could not have secured any authentic knowledge of the views of the Administration concerning his speech or his conduct from anything that I have said or done.

"As to his assumption that I object to the making of strong pleas for proper military preparedness, it would be impossible for him to entertain a more unwarranted one. I have gone to the limit of my voluntariness in an endeavor to make such pleas just as strong as words could make them.

"If he has found some stronger than I was able to find, he runs the risk that I will borrow them. He will, I feel sure, permit me to do such without requiring me also to borrow his idea that our present state of unpreparedness makes it desirable to engage in war with four or five other nations."

## CORONER IS VINDICATED.

Whitman Dismisses Charges Made Against Rikard.

ALBANY, Aug. 28.—Charges alleging misconduct in office, preferred against Coroner Patrick D. Rikard of New York as a result of his investigation of a recent traction wreck, were dismissed to-day by Gov. White.

## FIRE BOMB PLOT MAY BE REVEALED BY SHIP LOOTING

Police Start Arrests in Connection With Wholesale Sugar Theft Conspiracy.

GET TWO CONFESSIONS.

Scheme to Hide Crimes by Burning Vessels Seen by Detectives.

Several arrests were made by the police to-day and last night which disclose what Deputy Police Commissioner Scull characterized as a wholesale conspiracy to steal sugar from vessels sailing for Europe from this port and to set fires or place fire bombs aboard ocean steamers and lighters for the purpose of concealing the robberies.

The arrests followed an investigation carried on by Acting Capt. Tunney and Lieut. Busby since last April under Commissioner Scull's direction. Several of the men arrested are Germans of American parentage, and some of the ships involved were engaged in carrying sugar to ports of the allies.

Two of the men under arrest made a full confession of the conspiracy and their part in it.

The men under arrest charged with grand larceny are:

Michael Matset, a German, fifty-six years old, of No. 672 Forty-eighth Street, Brooklyn; captain of the lighter "S. F. S.," owned by Shortland Brothers of No. 110 Wall Street, in whose employ Matset has been for thirty-two years.

Sigmund Sturzen, thirty-five years old, born in this country of German parents, and living at No. 511 Sixth Avenue, Brooklyn; captain of the lighter "Dixie," of the same concern.

John Peterson, fifty-three years old, of No. 28 Buena Vista Avenue, Yonkers, mate of the "S. F. S."

Ferdinand Kahn, forty-four years old, born here of German parents, living at No. 357 Seventeenth Street, Brooklyn, and captain of the lighter "John F. Rymor."

Jean Styms, twenty-nine years old, a Belgian, who is a checker on the French Line pier at the foot of West Thirty-fourth Street and lives at No. 601 Tenth Avenue, has been held for investigation on the confession of Capt. Matset that he was one of the parties to the conspiracy.

After twelve hours of grilling by Acting Capt. Tunney, Styms is said to have confessed his part in the plot. According to the police, Styms received \$400 in all for allowing the barges to be robbed and then checking them off as full quantity deliveries. He said the thefts were accomplished by means of fast launches.

### SARATOGA RACING MEETING CLOSES IN BLAZE OF GLORY

Fifteen Thousand People Attend To-day's Getaway Programme at Historic Spa.

SARATOGA RACE TRACK, Aug. 28.—The meeting here wound up in a blaze of glory this afternoon. The crowd numbered about 15,000. The final programme included three features—the Beverwyck Steeplechase, the Hopeful for two-year-olds and the historic Saratoga Cup.

The track was good and fast. The meeting, according to Secretary Earlock, has been successful financially beyond expectations. The association received no assistance from the owners' fund, as it did last year, and depended solely on the gate receipts.
